Personnel & Asset Management

Manage assets and personnel from one place, see what you have and where it is in real time.

The screenshot shows the 'Inventory' page of the iottag system. The interface includes a dark sidebar with navigation options: Dashboard, Inventory, Event Log, Tag Groups, Safe Zones, User Management, Gateway Management, and Gateway Log. The main content area features a search bar, a '+ New Asset' button, and a table of assets. The table columns are: Gov ID, Group, Status, Updated by, Method, Location, Battery, Last seen, Edit, View, and Delete. The table contains five rows of asset data.
